

CARDBOARD FLOWERS

Materials

- Cardboard
- Scissors
- Glue (Modge Podge or Tacky Glue)

- Craft Paint (3 colors + white)
- Medium sized brush
- Paper towel or rag
- Throw away cup

1) Set up your workspace

Use a trash bag or an old sheet to protect your table from the paint

2) Cut Out Your Flowers

Cut out 5 large cardboard petals for each flower, (the size of your palm)
Cut out 5 small cardboard petals for each flower, (the size of your ear)
Cut out 1 cardboard center for each flower

CARDBOARD FLOWERS

3) Paint Your Flower

Fill up your cup with water so you can
rinse your brushes
Open up your paints
Paint the flower petals and the flowers
center

4) Arrange & Glue Your Petals

Arrange the petals however you'd like
them
Glue the petals to the center of each
flower
Add additional materials to decorate
your flower
Add more than 5 petals to create a
bigger flower
